Dear Friends & Supporters,

APPEAL TO HELP A LOCAL FAMILY IN NEED.

Earlier this month, we successfully helped a local family with small children, that currently find themselves struggling financially, obtain a donated hob.

Today we have learnt that their boiler has broken down and is beyond repair.

Donated boilers are inherently difficult to procure as people seldom upgrade their boilers - they tend to replace them when these break down.

In the absence of a donated boiler, we are looking for people who may be interested in pledging an amount of money towards purchase a boiler for them. Please contact me on 58380000 or john@openhandstrust.com if you can help.

Thank you for caring!
